The granting of motions to intervene shall be governed by A.A.C. R14-3-105. The granting of intervention, among other things, entitles a party to present sworn evidence at hearing and to cross-examine other witnesses. However, failure to intervene will not preclude any interested person or entity from appearing at the hearing and making a statement on their own behalf.

If you have any questions concerning this application, or want information on intervention, you should contact the Consumer Services Section of the Commission by calling 1-800-222-7000.
